

HASTINGS MIDDLE SCHOOL PTO

The mission of the Hastings Middle School PTO is to provide support to teachers, staff, students and parents of the Hastings Middle School community through many programs. Among others we facilitate field trips for students and we provide financial and material support to teachers and students.

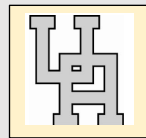

Hastings Middle School is one of two middle schools in the city of Upper Arlington and has an attendance of 698 students and 65 teachers plus administrative staff. Our PTO communicates with our families through newsletters, website, social media, our App and our Directory.

We are hoping that you would support our mission by sponsoring our program. We are offering 3 different levels of sponsorship:

For more information, visit our website hastingspto.org or email us at hastingspto@gmail.com
